

USC UPSTATE!

LET'S GIVE MOORE!

On May 19th a monster tornado hit Oklahoma leaving a path of destruction and devastation. Many of our fellow Americans woke up to a different world having lost their homes, priceless items and perhaps even loved ones.

Don't be content with just watching news coverage.

AmeriCorps South Carolina Campus Compact is establishing a joint effort with higher education institutions across the state to raise money for the OK Strong Disaster Relief Fund.

The fund was established by Oklahoma Governor Mary Fallin, in coordination with the United Way of Central Oklahoma, to assist with the long-term needs of victims.

Let's come together to show South Carolina cares. Donate as little as \$1.00 today by going to www.unitedwayokc.org or calling (405) 236-8441.
